The King's story

Jesus said that when he comes as King in glory, he will gather people from every nation. He will separate them as a shepherd separates sheep from goats.

He welcomes the first group into his kingdom. He says they gave him food and drink, welcomed him, gave him clothes, cared for him when he was sick and visited him in prison.

"When did we see you?" they ask. The King says that each time they cared for one of the least of his brothers and sisters, they cared for him.

The other group asks the same question. The King says that when they passed by people who needed help, they passed him by. Jesus says they go to eternal punishment and those who cared for others go to life with God forever.
